RE: MATERIAL SAFETY DATA SHEETS

To Whom It May Concern:

This letter will ensure compliance with O.S.H.A. regulations and standards covering AMERICAN WICK DRAIN Geocomposite Drainage Systems.

American Wick Drain geocomposites are articles as defined by Federal Hazard Communication Standard, 29 CFR 1910.1200 therefore no Material Safety Data Sheet is required for these products. The composites are composed of polypropylene, polyester, polystyrene, PET, polyethylene, or PVC.

If you have any questions about the above information, please contact me at (800) 242-9425.

Regards,

David Boepple  
National Sales Manager
