

GEO SOLUTIONS

*Specializing in Earth Retention Solutions,
Geosynthetic Materials and Solutions*

Streambank / Channel Stabilization

Streambank / Channel Stabilization

- **Geomorphic Assessment**

A look at channels stability, evolution and the data necessary for analysis/design.

- **Hydrology / Hydraulics**

Understanding the forces that shape our channels

- **Choosing the Right Applications**

A look at the different types of design techniques and solutions.

- **Local Municipalities**

Case Histories of local Streambank Stabilization solutions.

- **Design Tools**

The keys to successful designed projects.
